Albermarle Presbytery Is Pre-Eminent Leader in Synod

RANKS FIRST IN FIVE DIFFERENT FIELDS; KINGS MOUNTAIN IS RUNNER-UP IN FOUR

Most Distantly Situated Presbytery Is Only One Which Has Met Goal.—All Presbyteries Expected to Surpass 1935 Thanksgiving Offerings According to Estimates Made

At the termination of the third quarter of the 1936-1937 fiscal year on December 31, 1936, Albemarle Presbytery, which is the most distantly situated of all Presbyteries in the Synod of North Carolina, was leading all others in per capita giving to the Orphanage, in percentage of increase in the Thanksgiving Offering, and in the numerical increase in the Thanksgiving response; had shown the greatest increase in per capita giving when compared with December 31, 1935 and is the only Presbytery which has met the goal set for last Thanksgiving.

Kings Mountain Presbytery was runner-up to Albemarle in every one of the above attainments with the single exception of total per capita rank for the first nine months. In this respect it stood fourth in the Synod, Concord and Winston-Salem Presbyteries having the distinction of giving more per person from April through December.

Albemarle Presbytery had a per capita average of almost $1.23 per member in the first nine months, had shown an increase of 61.5% in the Thanksgiving Offering, had given $1,335.66 more for Thanksgiving in 1936 than in 1935, had shown an increase of 30.6 cents per member over the corresponding nine months of 1935-1936, and in giving a Thanksgiving total of $3,507.56 by December 31, 1936, it had more than met its goal of $3,200.00 for Thanksgiving.

Kings Mountain Presbytery, ranking fourth in the standing, had a per capita giving of almost $1.04 per member in the first three quarters, had displayed an increase of 34.5% at Thanksgiving, had given $969.13 more than last Thanksgiving, had recorded an increase of 18.6 cents per member in the first nine months, and lacked only $424.81 of meeting its goal of $4,200.00 for Thanksgiving.

On December 31st, $45,625.44 had come from the Synod as Thanksgiving responses, and the tabulation below, which is compared with the final 1935 Thanksgiving sums, shows how much had been received from each Presbytery:

Presbytery	1935 Final	1936 To 12-31-36
Albemarle	$ 2,171.90	$3,507.56
Concord	9,661.72	9,303.98
Fayetteville	4,034.73	4,109.55
Granville	3,181.28	3,359.83
Kings Mountain	2,806.06	3,775.19
Mecklenburg	10,685.00	9,778.45
Orange	6,836.29	6,751.32
Wilmington	2,142.31	2,030.73
Winston-Salem	2,935.27	3,008.83
Synod	**$44,454.56**	**$45,625.44**

This comparison shows the following Thanksgiving increases: Albemarle Presbytery, $1,335.66; Kings Mountain, $969.13; Granville, $178.55; Fayetteville, $74.82; and Winston-Salem, $73.56.

The following decreases are

This issue of The Messenger was delayed as long as possible in January, that the readers and friends in the Synod of North Carolina might get the very latest report on results from the 1936 Thanksgiving emphasis. On January 20th, the record showed that $48,771.82 had been received, which is more than $4,300.00 better than the final of $44,454.56 that was sent in 1935. A careful checkup of churches which have not yet reported Thanksgiving responses indicates that around $2,400.00 more is yet to be forwarded. This will make a grand total of slightly over $51,000.00.

A total of 441 churches had completed reports to the Orphanage on January 20th. Only 153 of these gave less than in 1935, and the majority of these declines were less than $10.00. Of the 441 churches, 97 of them made the best Offerings of the past dozen Thanksgiving seasons. When the final tabulation is made for Thanksgiving, detailed information will be revealed about this.

LITTLE JOE'S CHURCH IS SCENE PRETTY WEDDING

When R. E. Jackins, Barium, and Miss Laura Northrop, St. Pauls, Were Married

From The Statesville Daily

Mr. Robert Ervin Jackins and Miss Laura Northrop were married on December 23rd at Little Joe's Church at Barium Springs. The ceremony was performed by Rev. W. C. Brown, pastor of the church, assisted by Rev. Malcolm P. Calhoun, pastor of the Presbyterian Church at St. Pauls.

The church was effectively decorated for the nuptials with evergreens and lighted Cathedral tapers.

Miss Laura Gray Green, music teacher at the Presbyterian Orphans' Home, played the wedding music. She was dressed in brown velvet with a shoulder bouquet of white sweet peas and pink roses. While the wedding guests were assembling, she played Liebestraum (Liszt), and the Glee Club sang "I Love You Truly" and "At Dawning." The Bridal Chorus from Lohengrin was used at the processional, "To A Wild Rose" (MacDowell) was played during the service and Mendelssohn's Wedding March formed the recessional.

The ushers were Messrs. Ralph Spencer and Edward Flowers.

Mrs. J. Marion McNeill of Laurinburg, sister of the bride, was dame-of-honor. She was attractively dressed in cerise velvet with evening turban of silver cloth and shoulder bouquet of blue sweet peas and talisman.

The groom had as best man Mr. Glenn Calhoun, principal of the orphanage school.

The bride entered with her brother, Dr. Theodore Northrop, of Greenville, S. C., who gave her in marriage. She wore a lovely wedding dress of royal blue velvet with rhinestone trimming and an evening turban of silver cloth having a face veil. She carried an arm bouquet of bride's roses and lilies-of-the-valley.

Immediately after the ceremony the bride and groom left for a week's motor trip and, upon their return, will be at home at Barium Springs.

The groom is a son of Mrs. J. G. Jackins, of Charlotte, and the late Mr. Jackins, and is supervisor of the boys at the Presbyterian Orphans' Home at Barium Springs.

The bride is a daughter of Mrs. T. L. Northrop, of St. Pauls, and the late Dr. Northrop. She also holds a position at the orphanage where she teaches the third grade of the school.

Among the out-of-town guests at the ceremony were Mrs. T. L. Northrop, Mr. and Mrs. W. D. Northrop, Miss Sarah Grantham, nd Miss Pearle Evans, of St. Pauls; Mr. and Mrs. J. M. McNeill and Mrs. D. M. McNeill of Laurinburg; Miss Sallie Brown, of Marion; Mrs. J. G. Jackins, and Mr. and Mrs. Ellis Huntley, of Charlotte; Mrs. Roy Lentz, Mrs. Fraley and Mr. Walter Fraley of Winston-Salem; and Miss Margaret Fraley, of Wilmington.

Following the rehearsal Tuesday evening, the bride's mother, Mrs. T. L. Northrop, of St. Pauls, entertained thirty guests at a cake-cutting at the home of Reverend and Mrs. W. C. Brown, at Barium Springs, honoring the bride and groom. The dining room table was centered with a lovely wedding cake surmounted by a miniature bride and groom, and white tapers burned in silver holders which graced the table. A color motif of green and white was attractively carried out in the ice course which was served with the wedding cake. When the cake was cut Miss Ann Fayssoux Johnston received the thimble; Mr. Glenn Calhoun, the button; Miss Margaret Bell, the horseshoe; Miss Rebekah Carpenter, the ring; Mrs. Theodore Northrop, the wishbone; and Mrs. Malcolm McNeill, the anchor.

Three More Sunday Schools Adopt Plan

The calendar year 1937 was started auspiciously for the Orphanage with excellent news from three Sunday Schools—that the Offering-per-month plan had either been adopted in December or was to be started in January.

Park Place Chapel Sunday School of Statesville, which is in Concord Presbytery, has decided to start the Offering-per-month plan on January 24th, and in the future will send all fourth Sunday Offerings to Barium.

The other two are in Fayetteville Presbytery. Big Rockfish and Dunn Sunday Schools began this program in December and both have reported initial contributions. Each one is devoting the fourth Sunday responses to Barium. Two Classes in Dunn Sunday School have been doing this all along, and now the entire body has joined those two Classes in regular, systematic aid to the Orphanage.

The Orphanage is to be congratulated that these three Sunday Schools will assist the Home every month, and these Sunday Schools are to be congratulated likewise upon joining the hundreds of other Sunday Schools in this vital way of helping the Orphanage.

Income Distribution

In the first three quarters of 1936-1937, the regular total from the Synod of North Carolina was $26,612.09, which is $2,133.47 more than for the first nine months of 1935-1936. The aggregate for the regular giving of the same period of last year was $24,478.92. On the basis of this giving and if the contributions continue proportionately in January, February and March, the Synod is going to show a substantial increase in its regular contributions, besides that final increase of almost $7,000 which will be made in the Thanksgiving Offering. It's likely that Synod will give $10,000.00 more to the Orphanage during 1936-1937 than in 1935-1936.

The three-way distribution of the income shows that the Sunday Schools have sent $12,605.95 largely through the Offering-per-month plan, or 47.3% of the income. The church budgets have allotted $9,042.89, or 34%, and the Auxiliaries have sent 18.7% of this regular total, or $4,964.25.

Mecklenburg Presbytery leads in church budget giving, Concord Presbytery has that honor in Sunday School Offerings, and Mecklenburg also leads in the regular giving through the Auxiliaries. The respective runners-up are Concord, Fayetteville and Orange Presbyteries

MANY THINGS HAPPEN TO MAKE WINTER BUSY TIME

Christmas Rush Followed by Health Examinations and Other Check-ups

Engineers have discovered that the greatest strain on a battleship is that immediately following a broadside. All of the electrical appliances of a ship are busy reloading and getting ready for another broadside, and the strain on all of the machinery at that moment is at a peak.

It is a far cry from a battleship to an orphanage, and yet the period immediately following Christmas at an orphanage is a good deal like that immediately following a broadside on a battleship. Here is the situation:

For at least two weeks, the whole business of the orphanage, both here and abroad, has been concentrated on making Christmas a delightful time for the young people here. It is one time in the year when the pleasure of the children paramounts every other activity. It even makes school secondary. The business of raising crops, building houses, carrying on a health program, for time being, is in abeyance while the big job is making Christmas perfect for the youngsters.

During this time there are well over a 1,000 Christmas cards that come in to members of the staff and the individual children. To be polite, each one of these cards should be acknowledged. There are between 500 and 600 individual gifts for the children that come in at this time. Every one of those gifts should be acknowledged. Those of the children who are old enough to do so, and are at all acquainted with the donors of their gifts, acknowledge them themselves, but the majority of these gifts are unacknowledged from this source. The barest courtesy demands that somebody should acknowledge them, and yet there doesn't seem to be anyone able to do it. The matrons in the individual cottages acknowledge as many as they can, but when it comes to the office, there we find the conditions a good deal like the battleship immediately after the broadside.

The first of the year calls for so many unusual and extraordinary duties. The affairs of the year have to be wound up, and data collected for the Duke Endowment report. It means closing the books, taking inventories, bringing everything up to date, having an audit, all for the purely financial side of the report. Then there is endless statistics to be gotten on the social side, so much so that it takes the full time of one person for at least half the month of January.

Then, there is the hang-over of Thanksgiving Offering still coming in that has to be acknowledged; and then, biggest of all is the mid-winter health clinic. It

FARM

The three most important jobs that the farm has to do in the fall and early winter is to get plenty of small grain sown, corn harvested, and plenty of wood cut.

Minor jobs are such as keeping the campus clean and up to date, killing and curing pork, preparing for and taking care of the new lamb crop, being sure that we have enough pigs to keep over for our next year's pork, proper attention to the brood mares for next spring's colts, grooming and roaching mules, training last year's colts, grinding and mixing dairy and swine feed, hauling manure, and repairing machinery and tools for next season's crop.

There has been so much rain lately that we have had some trouble keeping terraces in good condition. We also have not been able to gather as much lespadeza seed as usual because of wet ground.

The farm is planning to change its system of soil erosion control in the future, by combining subsoiling and terracing. Some soil specialists say that neither is sufficient within itself.

So we close by wishing all of The Messenger readers a very happy and successful new year.

ANNIE LOUISE

Dear Friends,

Santa Claus has come and gone since we have written to you. He was real good to us, he brought us many nice gifts.

We had a beautiful Christmas tree. It looked pretty with our gifts around it; Mr. Brown & Mr. Johnston gave out the gifts.

On Monday before Christmas Miss McGoogan took us to town to do our Christmas shopping. We had a grand time.

We want to thank Mrs. John Sprunt Hill for the money she sent us Christmas. She always remembers us at the Christmas season.

Miss McGoogan spent Sunday after Christmas with home folks but we were glad to have Mrs. T. L. O'Kelley with us.

Three of our girls get to go to the picture show for making the highest average in their grades.

We want to thank Mr. Sams for inviting us to two picture shows during Christmas holidays.

TRUCK FARM

Hello Everybody!

Here we are with more truck farm news.

We have a new shop to work in now, because our old one was burned down. For the past few weeks we have really made use of it as there is no outside work to be done. We spend our time shelling beans to plant next spring.

We are hoping that it will clear up soon so we can work outside. In spite of the rainy days, we are having some good warm weather. In one or two weeks we are going to make our tomato beds so we can plant tomatoes early.

Many of the boys do not come to work very often because of basketball and wrestling practice, and some have been sick from having their tonsils taken out.

We hated to go back to work after Christmas holidays but we are used to it now and don't mind going.

This is all we have to say this time so we'll be seeing you next month.

BABY COTTAGE

Hello Everyone!

What did Santa Claus bring you? He brought us lots and lots of toys and fruit and candy. Wish we could see him sometime and thank him but I guess he has too much to do. Santa remembered the big girls and brought each of them a baby doll, a bracelet, and other things.

Aunt Lilly went home to spend Christmas holidays and gave us a big turkey for our Christmas present. All of us had a big part in eating it. You should have been here to help with our Christmas dinner because Mama Girt cooked it and she can cook "awfully" good. We had chicken salad, turkey, heavenly hash, fruit cake and other nice things but I guess we had better stop trying to make you hungry.

Mama Girt's sister, Aunt Bell, came to stay with us for two days and we had a perfectly grand time.

A few of us had the chicken-pox and that has kept us inside quite a bit. We have had lots of fun though.

Someone sent us some "Little-Bo-Beep" Cups and we think they are lovely. We thank you very much.

Christmas night we were quite ready to go to bed, although the big girls and Mama did stay up and play.

Mama Girt's two sons, Murphy and John, came to see us and we had lots of other visitors too. You know, Mama's really been a grandmama for two months because Murphy owns a little boy.

SYNOD'S COTTAGE

Hello Folks,

Was Santa as good to you all as he was to us? He brought us just loads of toys, candy and things.

We enjoy skating very much. Some of us skated so much Christmas day that when night came we could hardly walk we were so sore. When it rains we play with our games in the playroom and in the playhouse.

Miss Taylor took the boys who made A on deportment to town to to see the pretty lights. We went through some of the stores to see the toys. The clerks at Belk's gave each of us a tablet and a pencil. We thank you for them.

We have just had our annual examination and the doctor found most of us all right. A few of the boys have to have their tonsils removed. We hope that it will not hurt too much and that they can soon come back from the Infirmary.

—A. C. Gant
—Bobbie Whittle

HOWARD

Dear Friends,

We are glad to be back in school and studying again because we had such a nice time Christmas and got so many nice things. We thank all people who made it possible for us to have such a nice Christmas dinner.

Miss Woods' sister from Charlotte spent Christmas with her.

Mabel Vinson spent a week-end with Mrs. Shuford in Statesville.

Some of our friends sent us some candy and nuts and we certainly thank them.

Mr. Sams invited us to the show to see "Tarzan Escapes" and "Murder with Pictures" and we enjoyed them very much.

—Mary Johnson

WOMAN'S BUILDING

Christmas is over. Santa Claus was very good to us. We had lots of nuts and candy to eat.

The Old Year went out like a stubborn mule, but the New Year came in like a frisky lamb.

School again. We, the Woman's Building girls, resolve to study harder than last year.

Most of our girls go out for basketball. They have played about six games. Basketball is a fine sport.

Help Others

Wilmington, N. C.
December 24, 1936

Dear Sir:

I teach a Class of Junior boys at the Delgado Presbyterian Church. Those boys always want to do something to help others; in fact, our motto is, "Help Others".

This is what we do. I bought a bank at the dime store and I take care of the bank all through the year. We take it to our Class each Sabbath morning and after the regular Offering is taken we pass the little bank around and each of the boys drops in pennies, nickles or dimes. That is done each Sunday in the year. No one, not even the teacher, knows how much is in the bank.

We always open the little bank on the Sunday before Christmas. We take it to our class room, open it and the boys get a big kick counting the money. Then, they always say, "Let's send it to Barium Springs to the Orphanage".

We have done that for two years. Before that, we had used it to help a family, but this family is now able to take care of itself and does not expect assistance. So, we decided to always send it to the Orphanage.

We hope other Classes will use our plan.

Sincerely yours,
MRS. C. C. MYERS,
Teacher.

The above was received with the request that it be published in The Messenger, the Junior Boys of that Class believing that what they are now doing will inspire similar groups. The gift that has been received has been $4.00 each year.

This is a similar plan to that followed by Fountain Sunday School - not merely one Class, but the entire body. A Birthday Box was placed in the Sunday School on the first Sunday in January and was opened the Sunday following Thanksgiving. Considerable curiosity had been engendered as to how much it contained, for nobody had deigned to open it throughout the whole year. When it was opened in November, the accumulation of pennies, nickles, dimes and other change amounted to $14.25.

Quite a few other Sunday Schools use the Birthday Box idea, and follow the procedure of opening it once a month and sending the contents to the Orphanage.

(Editor's Note: On January 20th all Presbyteries except Mecklenburg and Wilmington had exceeded the 1935 Offerings. Mecklenburg lacked $264.31 and Wilmington $57.28. On that date, $1,050.00 more was expected to be forwarded from Mecklenburg and $70.00 more from Wilmington Presbytery. It would seem, therefore, that every Presbytery will surpass the 1935 Offerings.)

All but Concord and Winston-Salem Presbyteries were ahead of the per capita giving for the first three quarters of 1935-1936, and these were only nominally below last year's averages on December 31, 1936. Concord lacked only two-tenths of a cent of averaging as much as the year before, and Winston-Salem lacked 1.7 cents.

As pointed out above, Albemarle was leading with an increase of 30.6 cents per member, Kings Mountain was runner-up with an increase of 18.6 cents. Others on the positive side and in order of increases were Granville, 14.4 cents; Orange, 10.3; Wilmington, 7.5; Mecklenburg, 6.5; and Fayetteville 4.5 cents.

The Synod of North Carolina as a unit had shown an increase of 8.2 cents per member. All of these increases include both the regular and Thanksgiving sums.

Here's the way the Presbyteries stack up in per capita standing a year ago as compared with December 31, 1936:

A total of 655 organizations in the Synod of North Carolina have participated in the regular total of $26,612.09 that has been sent to the Orphanage during the past nine months. This does not include organizations reporting at Thanksgiving and which make no other report during the year. MANY THINGS HAPPEN

(Continued From Page One)

seems that the first of the year is the most satisfactory time to have this. It is far enough from the end of school so that all of the seniors can get the benefit of this last check-up, and it is far enough from the beginning of school to include all the new-comers after they have been here several months when we can really see whether living at Barium is beneficial to them. This annual check-up discloses a number of things. This year it showed the need of 26 tonsil operations; seven nose operations, 16 eye examinations, 12 children for immediate dental work, 13 children were examined especially by a doctor from the tubercular Sanatorium and there are any number of special cases for individual attention.

Now, that examination is over, but the things that that examination recommended still have to be done, and unless they are attended to in January, so often they are never attended to, and that is one of the big jobs coming at this time of the year.

And then, there is just one other thing that seems to apply this year. We don't know whether it is the weather or what. Maybe the long-continued cloudy and foggy weather that seems to hang over North Carolina has made people more despondent and hopeless. Something is certainly causing an unusual number of distressing applications to come to us at this time. It seems strange that at a time when businesses are raising pay voluntarily and declaring bonuses to stockholders (in addition to dividends) when the reports that the income from farms is more than it has been in years; when the outlook for prosperity in every line of endeavor seems to be reaching a peak, that there should be this increased number of distressing situations; and yet, such is the case.

Every application that has come to us recently demands prompt investigation, and we are trying to get all of those, just as quickly as we can. All of this makes us seem discourteous and impolite in failing to personally acknowledge the many gifts and other communications that have come to us individually at Christmas.

Just don't get impatient with us, or think that we are the least bit ungrateful. We are not. If you have any doubt about your package having reached us, write and we will look the matter up and let you know, but do not expect us to acknowledge each individual gift or card.

Every one of the cottage news letters reveal the fact that this has been the grandest Christmas ever, and you have helped make it so. We wish there was some kind of telepathy, for you to feel our gratitude, and to share our pleasure.

S. S. Meals

Sunday Schools in the Synod of North Carolina regularly sent the Orphanage $1,632.85 during the month of December, which makes a grand total of $12,605.95 that has come to Barium from that source during the first three quarters of 1936-1937. The latter sum is exactly $1,423.65 more than was sent to the Orphanage in the same period of 1935-1936. As a matter of fact, the Sunday Schools almost gave as much in nine months this year as was sent in the first ten months of the year before.

On the basis of ten cents a meal (the cost is considerably less than that) the following meals could have been served for the past three years:

Month	'34-'35	'35-'36	'36-'37
April	6,218	4,840	8,589
May	10,659	10,948	11,049

July	12,753	13,664	16,554
Aug.	8,762	10,429	11,006
Sept.	14,366	13,166	16,620
Oct.	13,104	19,953	18,811
Nov.	9,641	12,531	12,407

Jan.	11,200	10,070	?
